Raw Space exhibitors will get : • Marked Raw Space only • Free listing in the Exhibition Directory.

13 Additional FURNITURE / FITTINGS

Exhibitor's requirement of extra furniture/fixtures can be ordered through contractors at the venue. (Refer Form No. 5 for details) Payment for the extra requirements is to be made to the Contractors on receipt of the such bills before the closing of the exhibition. Exit Gate Pass will be issued to exhibitors against nil due.

14 ELECTRIC LOAD

Exhibitors requiring heavy electrical load for their exhibits should submit such requirements to the organisers by 15 June 2011.

15 SUPPLY OF ELECTRIC POWER

The electric power supply available at the Exhibition is as follows:

3 Phase : 400 volts + 10%

Single Phase : 230 volts + 10%

Frequency : 50 CPS + 3%

The functions mentioned above are only for reference. Variation could be expected on some occasions. The organisers will not be responsible for any fluctuations in electricity.

16 ADDITIONAL POWER

Additional Power required by the exhibitor will be charge at Rs.2,000 (EUR 35) per kW, (Service tax extra as applicable currently at 10.30%).

The above rates includes wiring up to the Main switch board in the exhibitor's booth & also power consumed for all the event days. Raw Space exhibitor has to take a minimum of 2 kW at extra cost is mandatory.

17 COMPRESSED AIR CHARGES

Compressed air connection (100 PSI) will be given at an extra cost of Rs. 15,000 (EUR 250) per 10 bar connection. (Service tax extra as applicable currently at 10.30%).

18 VISITOR INVITATIONS

Each Exhibitor will be provided a set of Visitor Invitation Cards for mailing to their business prospects. These Invitations will be sent to all Exhibitors 30 - 45 days prior to the exhibition.

19 EXHIBITOR BADGES / SERVICE BADGES

Exhibitor Badge is mandatory for all exhibitors and is required for entry to the hall during the exhibitor entry periods on all three days of the Exhibition. Exhibitor Badges will be issued from the Registration Desk at the venue on 20 July 2011.

20 INTERNET

The venue is Wi-fi enabled. For connections contact organisers.

21 CAFETERIA

Cafeteria will be located within the venue. A variety of snacks and beverages will be available on direct payment basis.

22 Live Welding Demo - Mandatory Safety Precautions

Exhibitors shall see that Visitors to the exhibition adjacent to the welding areas are protected from the radiant energy and spatter of welding and cutting by non-combustible or flame-resistant screens or shields. The radiant transmission of window or curtain material shall be equivalent to that in ANSI Z87 for shade number appropriate to the cutting or welding operation.

Additionally suitable arrangements must be provided to prevent direct viewing of the arc without filter protection and to protect viewers from sparks and chipped slag.

- Exhibitors shall have portable Fire Extinguishers of appropriate size and shape
- Exhibitors shall ensure that Combustible materials in the booth is shielded from flames, sparks, and molten metal
- Exhibitors shall ensure that the public shall be shielded from flames, flying sparks and molten metal.
- Exhibitors shall ensure that the public is shielded from harmful ultraviolet, infrared and other electromagnetic radiation
- Shielding shall protect direct viewers and adjacent passers by.
- Exhibitors shall ensure that visitors and other exhibitors are protected from inhalation of hazardous concentration of fumes and gases
- Exhibitors shall ensure that visitors and other exhibitors are protected from live electrical parts

OFFICIAL FREIGHT FORWARDERS

Siddhartha Logistics Co. Pvt. Ltd. is the Official Freight Forwarding and Clearing Agents for Weld India 2011. Exhibitors may avail their services. Please refer to PAGE 5 for their contact details in India and their offices worldwide. Wherever Siddhartha does not have their own office, they have associate agencies. Exhibitors are requested to contact Siddhartha Logistics India office for obtaining names, addresses, etc. of their associates in other areas. Exhibitors shall receive the complete Service Information Package directly from Siddhartha Logistics or their associates. Please note that no agency other than Siddhartha Logistics Co. Pvt. Ltd. is allowed to operate the handling / clearing job for Weld India 2011 inside the exhibition venue. Any forwarder may deliver to the doors of the hall, but only the official freight forwarders MUST handle it from there to your Booth, unless this item can be hand-carried. This regulation will be strictly enforced.

Official clearing and forwarding agents will offer to Exhibitors information & assistance in respect of (i) customs-import and export formalities (ii) duty exemptions & formalities, (iii) repacking & re-export, (iv) warehousing. It is suggested that Exhibitors discuss their requirements with the official agent and enter into comprehensive arrangements. The Exhibitors should pay the agency directly for their services. Hiring of labour from an outside agency will not be allowed in the exhibition venue.

IMPORT OF EXHIBITS

The procedure for import of exhibit goods to India for display is not very complicated.

To import your exhibits into India, the first step for all exhibitors is to contact the Siddhartha Logistics office in your country. The Official Freight Forwarding and Clearing Agents will offer comprehensive service related to movement of your goods from your office/factory to your exhibition stand which includes transport, sea/air freight, customs clearance, port handling, transit to venue, unloading, unpacking, movement to stand etc. We advise you to contact the Official Freight Forwarding and Clearing Agents as soon as you book your booth so that your exhibits may be brought in time for the show. The sea cargo transit time from your country to Chennai Port varies between 10-40 days depending on the distance from your country to India.

CUSTOMS REQUIREMENTS:

a) ATA Carnet System

India is a signatory of the ATA CARNET SYSTEM. Goods entering on Carnet would be exempted from guarantee requirements. You are advised to ship your exhibits in good time to avoid any delays in clearance. For further details, contact the official freight forwarders – or their agents in your country. All packages containing consumable items like brochures, leaflets, cassettes or gifts should be declared as such while exporting as well as delivering the same to the clearing agent.

b) Hand Carried Items On ATA-Carnet

ATA-Carnet could also be used for hand carried goods into India. Exhibitors need to have following documents while they hand carry goods on Carnet into India. (1) Copy of the ITPO Approval Letter. (Approval Letter from ITPO (*India Trade Promotion Organisation*)) (2) Participation certificate from the Organiser. *Instructions*: The Carnet has to be in the name of the company which pays the space rent to the organiser in foreign exchange. This also means that the carnet has to be in the name in which the participation certificate has been issued. If possible, name of the person carrying carnet and his passport number should appear on the said document. In case of hand carried goods, the exhibitors themselves will have to complete the formalities with the help of customs officials at the immigration point at the Airport

c) Sale of Exhibits

Sale of exhibits is allowed subject to the conditions laid down by customs authorities of Government of India. Please consult the official freight forwarding agent for further details and procedures in this connection.

SHIPPING DOCUMENTS

In consultation with the Official Freight Forwarding and Clearing Agents, exhibitors should take care to see that the shipping documents of exhibits are full and complete to satisfy the statutory requirements of the Customs Authorities to avoid any difficulties en route. Participation Certificate and ITPO Approval letter will be given to all exhibitors. The exhibits should be consigned in the name of exhibitor themselves and NOT in the name of the Organisers.

INSURANCE

PLEASE INSURE ALL YOUR GOODS BEFORE SHIPPING. Organisers are not responsible for damage, pilferage or any other loss, during shipping, transportation and handling at the Exhibition.

USEFUL INFORMATION ON LOCAL TRANSHIPMENT

1 Transport Documents

Participants should take care to see that the transport documents of exhibits are full and complete to satisfy the statutory requirements of Sales Tax, Central Excise and Customs Authority to avoid any difficulties en route. Participation Certificate will be given to all exhibitors. The exhibits should be consigned in the name of exhibitor themselves or their local agents and NOT in the name of the Organisers. Exhibitors can claim exemption from payment of Central Excise Duty on the exhibits to be cleared for the purpose of display in Weld India 2011.

The procedure for availing of the exemption is as follows: The Exhibitors should submit to the Excise – Authorities, 5 copies of each invoice containing full description of the goods to be transferred to exhibition site from their various factories for display at their stands mentioning the items listed in the invoice "FOR DISPLAY PURPOSE AND NOT FOR SALE". The organisers will certify the participation of the Exhibitor at Weld India 2011. Exhibitors can remove the material from their Godown, Factory / Premises without payment of Excise Duty by producing ITPO approval letter together with the participation certificate.

2 Insurance

PLEASE INSURE ALL YOUR GOODS BEFORE SHIPPING. Organisers are not responsible for damage, pilferage or any other loss, during shipping, transportation and handling at the Exhibition.

1. Failure to Exhibit

Any organisation which, having signed a contract for exhibition space, fails to exhibit whether or not for any reason of the Exhibitor's own choosing and has not been released from the Contract by the Organiser shall be liable for the full amount stated in the contract plus any additional costs incurred by the Organiser as a result of such failure to exhibit. These terms cannot be varied under any circumstances.

2. Limitation of Liability

The Organisers, their servants or agents shall not be liable for the safety of Exhibitors, their servants, agents, contractors or invitees during the exhibition nor for any exhibits, articles or other property of whatever kind brought into the exhibition by Exhibitors, their servants, agents, contractors, invitees or members of the public.

The Organiser shall not in any event be held responsible for any restriction or conditions which prevent the construction, erection, completion, alteration or dismantling of stands or the entry, setting or removal of exhibits, or for the failure of services or amenities provided by the hall landlords or other third parties.

3. Exhibitor's Insurance

Exhibitors shall make sure that they are fully covered by insurance including, but not restricted to, all risks on their property, exhibits or articles of any kind, public liability and comprehensive protection against any loss or damage caused by and circumstance whatsoever whether by reason of fire, water, theft, accident or any other cause. The Exhibitor shall insure against, indemnify and hold the Organiser harmless in respect of all cost, claims, demands and expenses to which the Organiser may in any way be subject as a result of any loss or injury arising to any person (including members of the public or the Organiser's staff, agents or contractors) or property howsoever caused as a result of any act or default of the Exhibitor, his servants, agents or contractors or invitees. If the Organiser so demands the Exhibitor shall provide proof to the Organiser that the Exhibitor has adequate insurance cover.

Exhibitors must ensure that their temporary staff and the staff servants, agents or contractors are insured against claims for workman's compensation. The period for which such insurance shall be maintained shall run from the time the Exhibitor or any of his servants, agents, contractors first enters the exhibition grounds, and to continue until he has vacated the exhibition grounds and all his exhibits and property have been removed.

4. Group Booths

Contracting parties for group stands are responsible for ensuring that all Exhibitors within their group are fully aware of, and agree to abide by these Terms and Conditions and by the rules and regulations of the Exhibition.

5. Subletting of Booths

The Exhibitor must not transfer, dispose of, part with or otherwise sublet the whole or any part of his site, whether for financial consideration or otherwise. The Exhibitor must, if he is an agent, distributor or licensee, state at the time of contract the names of the principals to be represented. This does not prohibit an Exhibitor displaying the products of a principal for whom he becomes agent, distributor or licensee after the time of contract, with the prior written permission from the Organiser.

6. Force Majeure

The Organiser shall not be liable to the Exhibitors by reason of any cancellation or part-time opening of the exhibition, either as a whole or in part, for any non-performance of their obligations under this contract of for any amendments or alterations to all or any of the Rules and Regulations of the Exhibition in each case to the extent that such occurrence is due to any circumstances not within their control.

7. Promotion during the Exhibition

Exhibitors are reminded not to place stickers, signs or posters anywhere in the hall other than within their own stand. Likewise, Exhibitor's representatives may not distribute brochures, invitations, etc. along the gangways or near the entrances. This is unfair to other Exhibitors and an inconvenience to visitors.

8. Security

- Exhibitors and their staff will not be allowed in the exhibition hall after the show hours. If your displays are very valuable or sensitive and you wish to hire security personnel to attend to your stand exclusively during off show hours, please contact the Organiser for security services. Please note that you may not use personnel from any other security agency.
- All personnel in the exhibition halls must wear identification badges at all times. Exhibitor Badges and Contractor / Service Badges are available from the Exhibitors' Registration Desk.

- For security and safety reasons, exhibit movement in or out of the halls during show hours is not permitted.
- Our Security Agency will guard the exhibition site in general, but their duties will not include specific attention to individual booths.

9. Payment Terms and Conditions

The payment schedule is as follows:

- 50% with duly filled-up "Application for Space" Form 1
- 50% balance by date specified on the contract.

Exhibitors will not be allowed to occupy their space or stands if the payment terms specified on the contract are not followed. These terms cannot be varied under any circumstances.

Exhibitors will not be allowed to occupy their booths until payment has been received by the Organisers. These terms cannot be varied under any circumstances.

No refunds will be made on cancellations or reductions of Booth size / Space.

10. Raw Space Booth

The minimum size for a Raw Space Booth is 36 square metres. No restrictions are placed upon Raw Space Booth designs provided they meet the following criteria:

- Booth designers are particularly requested to avoid designs which block or box-in other exhibitors Booths, gangways, fire points, extinguishers or emergency exits.
- Adjacent raw space Booths must be separated by walls with a nominal height of 2.4 mtr. Higher separation walls are permitted provided visible part of the back of the wall is finished.
- The Maximum height of the Booth design should not exceed 4.5 mtr.
- Exhibitors without a platform are required to ensure that free access is given for the running of necessary cable across their Booths.
- The exhibitors must ensure that aisles are not blocked during erection of their Booths, and that the contractor removes his off-cuts and debris from the hall and the Booth is completed by 9.00 AM on 21 July 2011.
- ALL ELECTRICAL WORK MUST BE CARRIED OUT BY THE OFFICIAL CONTRACTOR.

11. Built-up Booth

The minimum size for a Built-up Booth is 9 square metres. The built-up Booth contractor will put up the Exhibitor's name and Booth number on the fascia board. Exhibitors are not allowed to attach any additional texts, logos, etc. on the fascia board.

12. Electrical Installation

All on-site electrical installation MUST be carried out by the officially appointed Electrical Contractor. All prefabricated electrical fittings will be subject to an inspection by the official contractor before connection to the mains supply. Payment for extra electrical load and consumption should be made to the Organisers.

13. Equipment Interference

No equipment can be operated which makes excessive noise or causes electrical interference or annoyance to other exhibitors. In this matter the decision of the Organiser will be final.

14. Damage to Booth Structure and Exhibition Premises

No person under any circumstance shall cut into or through any floor covering or wall, nor alter any stand service structure except when authorised in writing by the Organiser.

15. Booth Cleaning

During the exhibition days, the Organisers will be responsible for the daily cleaning of the booth carpets and gangways. During the build-up / dismantling periods, independent contractors appointed by Exhibitors are responsible for the removal of the booth building/dismantling materials and rubbish.

16. Unforeseen Occurrences

In the event of any occurrence not foreseen in these Rules & Regulations, the decision of the Organiser shall be final.

17. Acceptance of Rules

The very fact that an Exhibitor participates in the Exhibition as an Exhibitor, implies without any dispute that he/she, his/her company/organisation has read the Rules & Regulations formulated by the Organiser and as printed above and irrevocably confirms to abide by them. This is applicable to each and every participant irrespective of the amount or percentage of payment made to the Organiser and includes participants, exhibitors / co-exhibitors as well as companies / organisations of complimentary Stands, irrespective of the fact if they have signed or not signed the registration form or any other document.

The Organiser has appointed the following Official Service Providers for various services.

The services of Official Service Providers are for the convenience of Exhibitors, and the Organiser will accept no liability in respect of any contract entered into between Exhibitors and such service providers for the negligence or default of any such person, their servants and agents.

VENUE DETAILS

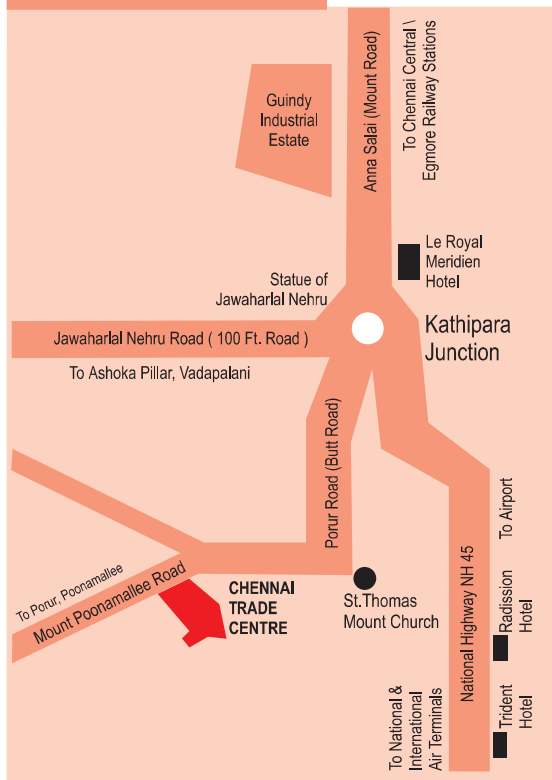

Chennai Trade Centre, Chennai

The Chennai Trade Centre is at a prime location in Chennai at Nandambakkam, adjacent to St. Thomas Mount in an area of over 25 acres of land with four modules of 4,400 sq. meters each of exhibition halls and support services to be built in a phased manner. In the first phase, two halls - Hall 1 (4,400 sq. mtrs.) and Hall 2; (1,716 sq. mtrs.) have been set up with six metres height to display all merchandise, including machinery.

The Trade Centre is architecturally and technically designed to be a "state-of-the-art" Exhibition Complex. The air-conditioned halls have no pillars or columns, are thus eminently suitable for multi-purpose use of organising exhibitions, conventions and conducting other trade, commerce and industry - related events.

The Indian Institute of Welding - CHENNAI BRANCH

The Indian Institute of Welding (IIW) is a professional body devoted to the cause of promotion and advancement of welding science and technology in India. Established in the year 1966, with its registered Office at Kolkata, it has 11 branches located all over India. About 4000 welding professionals and over 300 industrial / corporate bodies are members of this Institute.

Its objectives are:

- Disseminate knowledge in the field of welding and allied technology through seminars, workshops, training programmes etc.
- Provide technical guidance and consultation to industries in welding.
- Conduct associate membership examination (AM-IIW) recognized by AICTE as equivalent to B.E. Degree for purpose of employment.
- Publish technical journals and periodicals in the field of welding.
- Coordinate and liaise with International Institute of Welding.

EVENT MANAGERS

The Chennai based Unitech Exhibitions Private Limited is an organization run by a team of like-minded professionals & technocrats, conducting specialty trade fairs and exhibitions for businesses in niche industrial segments, with accent on quality and professionalism - from planning through to execution.

Established in August 2001, Unitech Exhibitions Private Limited is backed by a core team of professionals and technocrats who provide the foundation to create professionally managed events that exceed client expectations and produce results.... Whether you are organizing a trade show, conference, meeting or special event, the execution of the event requires a level of expertise and commitment that many companies and organizations find unavailable internally.

The mission of Unitech Exhibitions Pvt. Ltd is to provide for an adequate trade fair infrastructure and ambience, along with a sound attitude that will enable enterprises to interact with one another, transact business and operate locally, regionally and globally with significant competitive advantages. With trend setting & successful niche trade shows to its credit, Unitech Exhibitions is now one of India's leading PEO - Professional Exhibition Organiser.
